

Target CAD-CUT® Vinyls

A range of textile vinyls that will suit all of your transfer printing needs. Amongst this selection of CAD-CUT materials, you will find that you can apply to all types of fabrics and garments, including Cotton, Poly-cotton blends, Spandex, Polyester and even Nylon. These textile vinyls are ideal for heat applying and all forms of garment decoration.

CAD-Cut Premium®;

This remarkable NEW Exclusive product is suitable for a very wide range of garments, and will adhere to Lycra, Spandex, Cotton and Poly-Cotton blends.

CAD-Cut Premium Electric®;

13 NEW Electrifying colours have been added to the industries favourite CAD-CUT textile vinyl range. Ideal for fashionwear and promotional goods, suitable for cottons and poly cotton blends.

CAD-Cut Premium Glow-In-The-Dark®;

Brilliant white by day, GLOW IN THE DARK by night. Ideal for kids, clubbers, bar staff, cinema workers or just for fun. Available by the metre and on 25 metre rolls.

CAD-Cut Premium Nylon®;

Suitable for all things Nylon! The tacky backer allows really fine detail and is perfect for bags, jackets and umbrellas. ONLY for use on Nylons.

CAD-Flex PU®;

A perfect choice for everyday use - Ideal for multi-layering, this non-tacky, thin textile vinyl is easy to cut, weed and apply. Available in 16 fantastic colours!

EconoFilm®;

A very adaptable Cad-Cut material, designed for ease of use, great on sportswear, leisurewear and promotional wear.

EconoFilm Plus™;

Fuses in less than 5 seconds and will add sparkle to every job!. Combine with Econofilm for added effect for dance troops, club and leisure wear.

EconoFilm Fashion™;

Your best choice for instant added value! Glitter and pearlescent all ideal for fashion, leisurewear and promotional items.

EconoFilm Fluorescent™;

Brighten any garment with these fluorescent shades for ultimate impact. All ideal for sportswear, leisure wear and promotional wear.

EconoReflex Extra™;

Allows you to produce high visibility graphics onto most fabrics including Nylon. Conforms to EN471, ideal for high visibility jackets, tabards, sportswear and childrens clothing.

PromoFlock™;

PromoFlock provides a luxurious look and feel. Perfect for cotton garments, stunning on polyester. It is a cost effective substitute for embroidery. Now in 19 fantastic colours.

DuraCut™;

You can wash it at 90°C, tumble dry it, dry clean it and even iron over it. Designed for workwear and extreme sportswear, available in sheets.
